Close, Zumpf And Burry Elected Chief Officers At Hospital

Herman Close was elected at its last meeting as Chairman of the Board of the Belle Glade Memorial Hospital, with Abbie Zumpf, as Vice Chairman and Milton Burry, as Secretary-Treasurer.

Herbert D. Beck, retiring Chairman held that position for a number of the many years he has served on the Board, and received the thanks of the group for his long service.

During the past months the hospital has undergone difficulties in managerial personnel, and came through creditably despite the sensational proclivities of "Johnny-come-lately" new-hounds.

A seasoned hospital manager is a specialist - he's a business executive having acquaintance with the peculiarities of the profession; he's a diplomat with patience and sympathy and an insight into the average man's trouble in times of sickness, and to the atmosphere of ethics, deodorants, antiseptics and hypocrisies used by the adherents of Hippocrates, philosophies.

The Board went to a "fur piece" - upper New York State - to get a man whose record indicates possession of these qualities, E. F. Saunders.

Mr. Saunders says: "This is the spirit of the hospital, paid for by the public in fees and taxes and they should know their hospital, what it's doing and what it plans."

The new officers backed by the entire Board heartily agree to this theory and have mapped a campaign of administration to develop and encourage the idea of "OUR Hospital."

Mr. Close, when asked about plans for the hospital said: "The addition of two members to the Board, we believe, gives the hospital a wider range of representation."

Board Sale - 115

Market Sale 1042

Modern agriculturists and cattlemen must find a modern method of distribution of what they sell - after they have produced it.

The Board Sales being instituted by the Glades Livestock Market is a new approach to distribution for the cattlemen and is generally considered a more efficient and economical method.

Supply and demand, without artificial stimulants, is the controlling factor in any production. Avoiding peaks and depressions in the supply and stimulating the demand are paths to success in any business.

We now seem to be in one of those periods when it would be particularly profitable to all concerned if the buyer and seller.

Short-Lived Blow Causes Damages

Tuesday afternoon around six p. m. shaking and shocking thunder was accompanied by more than brisk winds and some rain, with damage reported from Six Mile Bend to Clewiston.

Power Lines

Norman Michael, dispatcher for the Florida Power and Light reported that crews were working all night Tuesday and through Wednesday from two miles west of South Bay to Clewiston.

A Transformer at the City Tree

Plant, South Bay blew up.

General

The top of Billy Walker's '50 Pontiac was demolished by falling limbs; Pelk's new news sign was blown down, metal awnings dashed in and antennas were down over a wide area.

Injury

Maurice Fletcher, purchasing agent for Okelene Sugar is in the Clewiston hospital suffering serious head injuries, multiple lacerations of forehead, face and neck as result of an accident just west of South Bay. The wind and blowing rain were driving the pickup he was driving to go out of control and into the canal after hitting a guy wire and pulling down a light pole.

Were They Insured?

Hitting school buses when taking on or discharging passengers is not the thing to do - it ain't safe.

Motorcycles running into citizens going about their business in a legal fashion, ain't nice, either.

You and I do such things,

great would be the wrath, accompanied by a bit of paper reading "failure to yield right of way," or "failure to have vehicle under control," or just "failure to be out of the way."

What's the verdict when two such instances happen in vehicles with officers of the law at the wheel? as are reported in this community recently?

Did the school bus stop, when where was it shouldn't? and they do this sometimes?

Did the citizen who was hit by the motorcycle "had-ordered" at home or on the job?

"People ARE funny," including you, me and police officers, and school bus drivers.

"To err is human."

Sunday Mail Time At Delayed Hours

Though Memorial Day isn't generally observed in this area, it is a holiday; so, the postoffice will be closed all day Monday April 30th, with a regular window service from 9 to 11 a. m., according to Postmaster George P. Farnall.

With a tentative schedule to replace the existing one, mail receipt and dispatch will begin to arrive here at 8:30 a. m. Sunday, and pickups will commence at 10 a. m. instead of 7 a. m. as now.

Time for mailing on Sunday has been advanced to 1:30 p. m. instead of 11:30, as at present.

Florida Elks

Convention In Hollywood

Exalted Ruler Fred A. Simmons and Mrs. Simmons will head a group of local Elks to day as delegates to the Florida Elks Association's 54th annual convention at Hollywood, with headquarters in the Hollywood Beach Hotel.

Beginning today, May 26, and continuing through Saturday, May 28, the delegates of the seventy-five Elks Lodges of Florida will gather on Friday and Saturday for a round of business sessions, under the chairmanship of State President Charles I. Campbell, of Tampa.

Do You Want

A Clean BELLE GLADE?

In this agricultural community where mechanized farming is without unhappy comparison in the world, and where a majority of our mechanically efficient machines have originated, we are actually proud of the achievements of our neighbors and ourselves in the "build at home" thinking.

The mole drain - simplicity in its own machine shops and fields from local ideas and field trials.

The modern soil business in this part of the US has approached the mechanical trials in mechanical farming. "Necessity is the mother of invention" has played its part in the Glades' accomplishments in mechanical farming.

World happenings might conceivably make this inventive ability usable - we might find it necessary to "live at home" as well as "Buy at Home." If that time comes, the Glades folks will take a back seat for no one.

We are a pioneering people; we are sympathetic and without severe jealousies of our neighbors successes and most tolerant of his "bumps" along the road to success - we think we have a right to succeed - we give him a helping hand rather than a shove back.

These are the reasons we anticipated a welcome to the "Trade at Home" program which we have joined with our merchants in advancing over the past twelve weeks.

Our anticipated results are being gratifying on the house-day regulates her dinner table companions with stories of items "actually found here at home," and the service that local merchants give. They're glad to have participated in this program.

The merchants report favorable reaction, and they have reported a bit in many instances and have come up with specials and items of interest during the campaign.

The merchants thank the Glades public; THE HERALD thanks you, with the admonition to "KEEP AT IT-BUY AT HOME."

Home Nursing Service-For All Established In The Glades

The Glades Public Health Nursing Advisory Council, Inc., became a legal organization Wednesday with the signing of Articles of incorporation and adoption of by-laws, by 18 Glades citizens serving one to three year terms.

O. B. McClure of Pahokee is President, Jane Evans, Vice President, Margaret Mooley, Secretary and Lynn Shirley, Treasurer.

Public Health Nursing is the prime purpose of the organization; particularly, to expand the nursing staff to give guidance to individuals, without regard for race, creed or ability to pay.

In order to establish a home nursing service the State Board of Health has entered into agreement with the Council to furnish a registered nurse to the Palm Beach County Health Department for work in the Glades. This has already been done, and is to continue for two years, in order that a full trial be given the plan.

The Glades Council has established a sliding scale of fees for cases and to pay and under the direction of a private physician. Whatever funds are collected will be used in the work of the Council.

Nursing personnel will work forty hours a week; nurses will alternate on Saturday and Sunday as well as holidays for emergency calls only. If there is no physician responsible for the case, which means home nursing care, the nurse's visit will be limited to one, until the patient can secure a physician for orders. Nurses in the field will not dispense drugs with out the written advice of a physician on the nurse's first visit where there is no physician responsible for treating the patient, the nurse will administer treatment according to the standing orders approved by the medical advisory committee. The service will be a complete generalized program, with each nurse assigned a district in which she will assume a full responsibility for home visitors.

Glades Votes

50% Of Those Eligible Right In 7 Of 9 Races

The seven Glades precincts from Canal Point to Lake Harbor cast 2777 votes in the second primary against 3050 in the first, for an approximate 50% of those eligible, and came in winners in seven of the nine contests.

The greatest majority for any one candidate was in the Governor's race, 1721 for Bryant and 1056 for Senator Carlton.

The greatest difference in any one race was in 35-A where 29 of the 44 precincts in Palm Beach County, with very close votes in two - a difference of 16 to 29 votes in two precincts totaling 822 and 658 votes respectively. In four precincts Carlton received 2568 votes to Bryant's 120; 3-A, 3-A, 8-A and 28-A.

The Commissioner of Agriculture's race was second high in the number voting; Hancock led Conner 1420 to 1138.

The Senatorial race drew the third largest vote in these seven precincts - 3285.

The Registrar's race was the closest in the county with approximately 1404 votes difference in a total of 30,538 votes cast the next closest was that of the Senatorial race where a bit over 400 votes separated the two in a total of 33,199 votes cast in the county-wide race.

There are a few over 500 absentee votes to be counted, which it is assumed will not change the final results in these two close races.

Most Stores Opened For Memorial Day

A check of business houses, including the commercial banks and drug stores indicates that generally Memorial Day will not be observed by closing Monday.

Everglades Federal Savings and Loan Association, G. A. C. and Kwik-Chek announce that they will observe the holiday by closing Monday.

Because the vegetable movement is at or near its height for the season, most businesses that deal with the car movement or the workers directly are keeping their doors open.

BPW Club Names

Gladys Edwards

Woman Of Month

One of the community's well known business women, a native of Florida and a resident here for 29 years has been chosen by the Belle Glade Business and Professional Women's Club as "Woman of the Month" for April. She is Mrs. H. G. (Gladys) Edwards.

Although never in the limelight, or joining in club activities Mrs. Edwards has in addition to being a wonderful wife and mother served the public for approximately nine years as an able merchant in her own right, and has contributed much to the growth of the community.

Always friendly and giving unto others, Mrs. Edwards is noted for her perseverance and good spirits and her determination to lead for herself and family in the face of any obstacles.

Active in church work she has been a Sunday School teacher at the First Baptist Church for 30 years. She is devoted to her family and gives loving care to her mother, Mrs. Josephine Farmer who is an invalid.

The Edwards have one son, Jed, who is attending Clemson College, and a six month old grandson.

Mrs. Edwards will compete with the other 11 candidates for "Woman of the Year" title and will be honored at a meeting of the club in the near future.

Rev. Smyly Elected Local Woman Accepted As Missionary To Office Of FBC To Work With Migrants In Glades

The Rev. Clifford J. Smyly has been elected as Training Union Secretary of the Florida Baptist Convention, to succeed the late O. K. Radford. This announcement was made by Dr. John Maitre, the executive secretary of the Florida Baptist Convention.

Rev. Smyly is well known in South Bay, having held services there at the First Baptist Church in a revival this year. He also recently preached at Lake Harbor Baptist Church enroute to the Southern Baptist Convention in Miami.

A native of Mississippi, Mr. Smyly has served as an associate in the Sunday School Department of the Convention in Florida since 1953. Prior to coming to the Convention he was pastor of the Canal Point Baptist Church, Canal Point, Florida. While pastor there he also served as Associational Sunday School Superintendent.

He is a graduate of Mississippi College with a B. A. degree, and of the Southern Baptist Seminary with a Th. M. degree.

Memorial Day Youth Rally In Miami May 30

A Memorial Day Youth Rally will be held May 30 at the First Alliance Church (formerly known as the Miami Coast Baptist Church) with host pastor Dwight Porter.

Services will begin at 10:30 a. m. and the guest speaker will be Nathan Pentland. At the afternoon service at 1:30 J. W. Nabors will be speaker.

There will be fellowship, fun and food, sponsored by the Christian and Missionary Alliance of South Florida. Rally Zone. If you are interested in attending, contact Robert Lovette, pastor of the Christian and Missionary Alliance Church, Belle Glade.

College Donation Given In Memory Of Late John Randolph

The regular meeting of the Women of the Church, Everglades Presbyterian Church, was held with Mrs. J. D. Wicker in charge of program. Mrs. Richard Murray presided. A skit on Church Extension was presented.

The group voted to send \$50 to the new Presbytery to be held at St. Petersburg in memory of the late John Randolph, a member of the Presbyterian Church here. It was also announced the new pastor and his family Rev. and Mrs. W. W. Preston will be honored with a reception after services Sunday, May 29. Invitations have been sent out to all churches to attend.

Hostesses were Mrs. Tommy Parker and Mrs. Edward Motes.

Adventist Prepare For Camp Meeting

Pastor George E. Petty and family of the Belle Glade Seventh-day Adventist church, 1208 N. W. Ave. D will go to Orlando Sunday, May 29 to help prepare for the church's Annual Camp Meeting in Florida, which convenes June 3-11.

Pastor Petty is joining more than 60 ministers, Bible instructors, and others church employees at the camp site of the campus of Forest Lake Academy, near Orlando, to help ready the convention grounds for the influx of more than 7,000 persons.

Ministerial study sessions and daily worship periods will also be held during the days of preparation.

"Belle Glade Seventh-day Adventist church members are expecting one of the biggest and most important camp meetings ever held in the denomination at Orlando this year," Pastor Petty said in referring to the convention.

"The purpose of this nine-day convention is to re-emphasize spiritual values and to renew consecration of church members. With God's help and our own labors this year's convention will fulfill this purpose," he said.

Mrs. Jessie Bergman who has been accepted as a Missionary to the Migrants with the Missionary Gospel Fellowship, Inc. of Turlock, Calif., left Tuesday for Florida.

Mrs. Bergman, God called her into full-time missionary service. Thus through her dedication and the prayers and encouragement of other Christians, the "Way" is opening up for her to respond to this call. She has given up her former employment with one of the local merchandising firms and is now launching out in "faith" on this Christian endeavor.

However, the Missionary Gospel Fellowship requires a worker to have their full pledged before they can be permanently placed in the mission field. Thus Mrs. Bergman trusts that the necessary funds needed for her support in this work will be fully pledged while she is serving as a deputation worker in the North. She expects to return in the middle of August and then hopes to go into full-time Missionary Service in the Glades area.

She is presently the tenth person on the staff of MGF in Florida. Arthur Baker, director of the work in Florida, is located in the Fort Lauderdale area and Miss Ruben Shultz is doing children's work in the sugar camps of South Bay.

Baptist Church Fellowship Dinner Set For 5th Sunday

Next Sunday, May 29, will be an important day for the members of the First Baptist Church. They will celebrate Fifth Sunday Fellowship Day. The dinner will be served in the Fifth Hall of the Educational Building at 1 o'clock. The committee on arrangements for this fellowship day camp set of Chairman, Mrs. Vernon Jones, Mrs. Edwin Groover, Mrs. Mills Byrom, Mrs. George Hudspeth, Mrs. Tom Forsee, Mrs. R. S. Kent, and Mrs. F. C. Markham.

We urge our members to make plans to attend this fellowship dinner. Bring your family and your dinner and we will eat together and also enjoy good fellowship.

May 29 is the day we have set to bring in our special offering. Much needed improvements and new equipment will cost around \$4,000.00. The church voted to meet the members coming in on May 29, at least \$4,000.00 to meet these needs. It is our hope that all our members will share in this offering.

Sunday School Class Enjoys Beach Party

Mrs. and Mr. Curtis Thompson, Jr., and Mr. and Mrs. Ben Geiger took the eighth grade class to Coconut City Methodist Church for a Beach party at Lakewood last Sunday afternoon.

According to Mr. Geiger, they all enjoyed the swim and picnic and the 20 girls particularly enjoyed taking their chaperones.

Sermon Subjects

First Baptist Church: "Should the Scriptures Be Rewritten For Our Day?" will be the sermon topic Sunday morning at 11 a. m. delivered by Dr. S. Hill, pastor. At the evening service the subject will be "Tharrah Said Tomorrow."

St. Peter's Lutheran Church: In memory of the Savior's Ascension into Heaven, of which the 26th of May is Memorial Day, the subject of the sermon will be "He ascended into Heaven and Sitteth at the Right Hand of God." The vicar, Rev. August Koerber will be the preacher.

WSCS Circles Reorganize

A joint meeting of the five circles of the Women's Service of Christian Service of Community Methodist Church was conducted with Mrs. John D. Lany, president, presiding over the business meeting and giving the devotion.

Announcements were made of a May 26th officers training school at Stuart and a book study on Thursday, June 2 from 10 until 2. There will be a sandwich luncheon with Mrs. J. A. Ponder and Mrs. D. W. Harris in charge. The book study is on "The Church Mission in Town and Country."

The circles voted to raise an additional \$800 toward the kitchen fund which will make an approximately total of \$1850. The circles met in separate groups for reorganization and drew names for new members. It was announced meetings will be held as follows: May 30, Araminta Circle at home of Mrs. Howard Hill; Clara Circle, home of Mrs. E. C. Post May 31; Joy Circle will meet June 6 at 8 p.m. at Dixiana; Mary Hill Circle June 15, home of Mrs. Herbert D. Beck; Star Circle home of Mrs. F. C. Schenfeld, June 25.

Mrs. H. C. Post, president-elect was presented a life membership pin by Mrs. Howard Hill. Announcements were made the next general meeting will be held on June 7 with the Star Circle in charge.

Refreshments were served by the hostesses Mrs. George Farnall, Mrs. Fred White, Mrs. Dorra McWhorter, Mrs. Malcom Bedsole, Mrs. B. E. Watson, Mrs. Russell Tucker.

A table with an open Bible, candles and flowers featured the worship center.

Rank Requirements Tests Are Given At Boy Scout Troop 621 Camporee

Boy Scout Troop 621, sponsored by the Everglades Presbyterian Church, enjoyed perfect weather during their camporee on the lake last weekend. The troop left Belle Glade on Friday afternoon, May 20, and returned Sunday morning, May 22, in time to attend Sunday School and Church.

Reverend W. W. Preston, pastor of the Everglades Presbyterian Church, and son Billy joined the Scouts for their campfire ceremonies on Saturday night. A great time was had by all.

The scouts took advantage of this trip to pass many requirements for advancement in rank. Each scout was given a cow horn and basic instructions for making it into a useful article such as an ash tray, lamp, planter, or horn.

A Green Bar meeting (Patrol Leaders' Council) was held to establish troop procedures for summer vacations, to take action on troop problems and to make plans for the future.

Scoutmaster R. H. Lewis, Assistant Scoutmaster P. H. Thomas, and scouts Marilyn Felsing, George Towel, Glenn Wolf, Victor Riedel, Jim Walker, Bob Gressinger, Jim Ludlow, Steve Rowe, Jay Uhlig, Eddie Haines, John Bamford, Larry Keeshar, and Gene Hollingsworth attended the camping trip.

NEGRO NEWS

Mary Fatally Stabs Beulah Hamilton

Though her story and that of the witnesses differ slightly as to who was the aggressor, and facts about the size of the knife used differ from her story of a "little old knife I found in the street," still the basic facts seem to be that Mary Carway "got tired of the way you been doing me" and proceeded to fix Beulah Hamilton so that she couldn't do anybody else any way — Beulah died Sunday morning early from knowledgeably-placed "stabs" with a hunting knife, in the hands of Mary. This unfortunate Saturday night social contact has no background of aggravating causes, officially.

Evidence by witnesses is that they "came out fighting" on a porch of a rooming house hall onto the porch with Mary wielding the knife most effectively.

Mary is at present a guest of the county awaiting trial, with speculation as to whether her sentence will be one year or five.

Justice may attach predominant weight to aggravated circumstance in the domestic life of the two women whose social ambitions crossed.

Precinct 38-A Right Two Out Of Nine Races

Some 20% less voters turned out in precinct 38-A than did in the first election — 298, or 368, or thereabouts, out of near 1,000 eligible to vote.

Of the nine contests precinct 38-A "came home" winner in two. The vote for Douglas as County Judge 66 to 84, and in the Assessor's race they gave Maxwell a 150 to 69 vote.

Except for the Governor's race — Carlton 252 to 18 for Bryant — the vote seemed to be on its own.

Leaders in that precinct made as strenuous effort to get out the vote as any in the county, even to offering free rides to the polls, soliciting and phoning.

Driver Frank Macon Charged In Bus Duvking

Frank Macon has been charged with driving a vehicle with unsafe tires and steering gear and is under \$300 bond.

Frank had a load of laborers headed towards work at 7:30 a.m. when a tire blew out and dumped the truck and occupants in the canal paralleling highway No. 27.

Sylvester Sturdevant of Belle Glade hurried out a glass window after breaking it and inflicted a cut on his arm, but is reported in a satisfactory condition by the patrol.

Juanita Howze, 27, of Belle Glade sustained a broken collar bone in the accident, and she is also reported in satisfactory condition.

Because there wasn't much water in the canal, more serious damages were avoided.

ler had a better system of adjusting the supply to the demand. For many weeks there have been indications that not enough cattle were being topped out for slaughter. Failure to do so has resulted in a sudden large supply. There must be a way of determining that such situations actually exist rather than just having the feeling that they exist. When such a system is developed, you will be able to make more profitable decisions in your selling program. Here's last week's results:

In addition to the officers, Council members are: Ruth Wedgworth, Julian Griggs, Luther Jones, Effie Allen, Mutt Thomas, James Vann, M. P. Stanley, O. D. Sheppard, Paul Rardin, Emmett Roberts, Grant Averill.

The Medical Advisory Board consists of Glades doctors, E. E. Johnson, J. Allen Baker and Roy Brown.

Dr. Brumback, County Health Officer, will, of course direct the activities, through Mrs. Williams.

Organization of the several committees of the Council is under way and work assignments will commence during the summer.

THE INTENT OF CONGRESS

Congress has frequently made its intentions toward the parcel post service clear. In brief, it has been the desire that parcel post supplement and not supplant express and other carriers, that it be limited to smaller packages, mainly carried to and from rural areas, and that rates be adequate to cover the government's costs.

But theory and practice have not jibed. Take, for instance, the matter of charges. They have almost always been below the cost of providing the service. It is true that a rate increase went into effect last February 1. However, of an estimated taxpayer loss of \$3.3 million a week from parcel post, these new rates will make up but \$1.7 million. So a balance is left of some \$1.6 million in weekly losses which must be made up by all the taxpayers, whether or not they patronize the service.

The rate question is not all. Parcel post has supplanted taxpaying private parcel carriers and, if some proposals ever become law, it probably will supplant them all. Parcel post, also, has moved into service areas where there is no need for it, and where private enterprise can do the job and pay taxes for the privilege.

Only congressional action can remedy the situation. And the need for remedy is urgent, in this time of a huge total postal deficit and a precariously balanced federal budget.

12,000,000,000 WORK-FREE HOUSES!

One of the great material achievements of our age has been the reduction of drudgery in the home, due to automatic appliances. And what has happened is just the beginning—as some information from the manager of the Live Better Electrically Program demonstrates.

Twelve billion work-free hours are expected to accrue to American women as a result of total electric living by the end of the 60's. This means that the average homemaker will save 2,000 hours of work annually, or five hours a day.

Electrical washing and drying, is it forecast, will save her six hours a week; ironing five hours; shopping, six hours; dishwashing, ten and one-half hours; garbage disposal, one hour; automatic electric cooking, three hours; and miscellaneous items, such as electric cleaning, six and one-half hours.

It's a bright prospect—and it has almost infinite implications. For instance, the Live Better Electrically Program's announcement paints this vivid picture: "The woman of the 1970's will be as different as the woman of the Victorian era was from the Flappers of the 1920's. Electric living in the home will be the largest contributing factor to that change. And, as an added but important consideration, the American homemaker by 1979 will probably look 10 to 15 years younger than she actually is, will probably speak more than one language, possibly drive an electric car and certainly be more interested in geography and outer space than gardening, and will be a mother and teacher to her children as well as a more conscientious parent."

LAFF IT OFF

Once the world was slated to be destroyed by wrathful gods. Now it's a do-it-yourself project.

"It has been said that a man who squeezes a dollar never squeezes his wife," read a collection letter. "In looking over your account, it has occurred to us that your wife is not getting the attention she deserves."

Wife to husband: "One of the ducks you were hunting last weekend called and left her number."

Many a woman who can't add—can certainly distract.

Uncle Dan From Democrat River

Dear Mister Editor:

I ain't got out much this week to get any news first hand and all I know is what I been reading in the papers. And I ain't got any of that confirmed official yet on account of not getting to the country store Saturday night.

But several little items struck me as unusual and I aim to take 'em up at our next meeting. For instance, I see where the Tonga Islands out in the Pacific has a population of 40,000 and has no taxes, no public debt and no juvenile delinquency. I think steps should be taken at once to bring civilization to them poor islands. It's plain that they ain't got none.

And I was mighty interested in that piece about a Baltimore dentist breaking a patient's leg while pulling a wisdom tooth. The wisdom is most people don't go that far down but I reckon this is a unusual feller in Baltimore.

I see where them Congressmen is still talking about reducing taxes. This is normal for the Congress in a election year. It's hard to believe that this nation was founded to get away from taxation and today that's about all we got. The American Revolution started over one tax and now we got enough of 'em to keep a revolution going till the end of time.

Congress spends about half its time talking about taxes and the other half talking about inflation. I've done give up on taxes and I ain't losing no sleep worrying about inflation. In 1933, for instance, I was broke and had to eat sardines for a while. In 1950 if I eat sardines I'd be broke again. Inflation or deflation, it's the same difference, the way I see it. In the end I don't reckon it makes much difference one way or the other. In this world of today man is begotten in a hurry and judging from what the preacher says at his funeral and the newspapers says in his obituary he has lived the good and full life. If he has managed to have a TV set on his roof and a two-tone car parked in front of his house, I reckon the preacher and the newspapers is right.

I think it's a waste of time for Congress to keep making new laws trying to cover the situa-

tion. We got so many laws now that the new ones is meeting that the old ones coming back. And then my preacher says the big thing in the papers, and I ain't got any of that confirmed official yet on account of not getting to the country store Saturday night. But several little items struck me as unusual and I aim to take 'em up at our next meeting. For instance, I see where the Tonga Islands out in the Pacific has a population of 40,000 and has no taxes, no public debt and no juvenile delinquency. I think steps should be taken at once to bring civilization to them poor islands. It's plain that they ain't got none.

Yours truly,
Uncle Dan

Your Library

A wonderful new way for boys and girls to discover the world they live in is to read the Historic Places of America by Nelson Bechler. Mrs. Ruth Clemens of the library board reads every book, before giving a synopsis or telling something about the book in this column. Since the number of historic places is so vast, the space is limited. Mr. Keyes has not however picked out the more obvious or well known landmarks since he felt that the minutiae's stand in the common at Lexington, or the Pilgrim's Landing at Plymouth, and they were known to us in general reading. He has instead chosen circumstances and places as much for their variety and differences as for their historic value and has given, because of their variety, a collection of facts that the many sided factors of the peoples and backgrounds that have made the United States the "melting pot" of all the cultures of the world.

There are some twenty books of this type on the shelves known by the name of the real books. This series is highly interesting and very informative. The Library has recently purchased 30 pre-school and first grade books for the younger set. For those who are interested in science fiction, there is a whole shelf of these books, one we can recommend is "The Big Eye" and many others.

A most delightful entertainment was the post-nuptial miscellaneous shower given at the First Baptist Church recently by Mrs. J. S. Aly, Mrs. Nello Greer, Mrs. Verna V. Gledhill and Mrs. C. J. Alvarez, honoring Mrs. Thomas Edgar Jeffries, who before her marriage (July 7) was Miss Mary Louise Jeffries.

Garden flowers in attractive arrangement decorated the room. Games and contests were played after which little Iris Ann Wright presented the gifts to her mother. A color in pink and green was carried out in the refreshments and accessories.

Among those attending were Mrs. William Jeffries, mother of the bride; Miss Mayda Lewis of Jacksonville, Mrs. Minnie Holmes, Mrs. Guy Roters, Mrs. Rosa Manga and Mrs. James Scullen, Mrs. M. S. Wright, Harry Wilson, Mrs. Maude Hartline, Mrs. E. E. Forbes, Mrs. O. P. Register, Mrs. C. J. Browne, Mrs. M. D. Hardy, Miss June Goodbread, Miss Edith Aly, Miss Thelma Aly and Miss Gwendolyn Brown.

Takes Over Station
C. F. Denton, who owns a filling station property west of South Bay, which has been operated by Mr. War, has taken over the operation of the station.

Wedding Anniversary
Friends of Mr. and Mrs. Don Scruggs of South Bay honored them Sunday at the Jeffries Memorial Park in South Bay on their seventh wedding anniversary with a barbecue dinner. Others attending were their son Donnie, Mr. and Mrs. Harry Brooks, Mr. and Mrs. Jack Hall, Mr. and Mrs. Robert Phibbs and Mr. and Mrs. Robert Allen, developing Everglades section and daughters, Marie and Lynn.

Dike Work For 2 More Months
There is still about two miles more of dike work to complete along Lake Okechobee between Pahokee and Canal Point. The dredges General and Welekta are working from both ends to the center and it will be possibly the middle of September before the task is completed.

Rebuilding Lines
The Southern Bell Telephone Company has a crew located at South Bay for headquarters. The crew, which is modernly equipped for pole setting work, will rebuild the line from South Bay to Fort Myers and will require several months to complete its project.

George Takes A Roll
George Eagleton, driving one of the Alfalfa Service truck, Sunday, took a double roll with the truck, and sustained a bad gash in his forehead and was fortunate to escape without more serious injuries.

Plan Smokeless Town
City Council at its latest session, attended by three councilmen, passed the anti-smoke ordinance to its final reading. This ordinance provides that no boat owner, locomotive, or companies operating buildings and plants, shall permit a smoke nuisance to exist within the city corporation. Council passed bills for payments in the sum of \$155.61 for the town and \$247.17 for the waterworks when funds are available.

Favors Glade
"At the Monday night session of the Junior Chamber of Commerce in West Palm Beach E. D. Anthony was the speaker and he stressed the need of the east coast people and merchants to get better acquainted and cooperate with the BACK COUNTRY, the progressive and fast growing Everglades section of the country."

You get more mileage from the most powerful gasoline your car can use

LOOK HOW MUCH YOU GET SUPER POWER

For take-offs, hills, passing—Super Shell is the most powerful gasoline your car can use. It's packed with aviation power ingredients produced by Shell—world's largest supplier of commercial aviation fuels.

SUPER MILEAGE

Super Shell's "power pack" of aviation fuel ingredients converts automatically to extra mileage when cruising.

SUPER OCTANE

Super Shell has an octane rating so high that engine knock is no longer a problem.

SUPER SMOOTHNESS

It's the TCP* additive in Super Shell that will make your engine run smoothly. Almost immediately you'll feel the difference. TCP actually tunes your engine while you drive.

ENJOY COOL COMFORT Electrically

It used to be "come and sit in the shade on the porch." Now it's "come inside and enjoy cool comfort."

AIR CONDITIONING will make your home a haven from summer's heat and humidity. It will flood your home with cool, filtered air... remove excess moisture, lower the humidity, and help prevent mildew. Locks out dust, insects and road noises. You'll sleep better, awake refreshed, live in cool comfort through the hottest summer days.

MODERN ATTIC or WINDOW VENTILATING FANS are other wonderful aids to cool summertime comfort. These powerful fans pull in cooling fresh breezes "in motion," as hot sticky indoor air is forced out.

Don't wait until your house runs a temperature.

NOW LOOK WHAT CORVAIR'S GONE AND DONE!

The same Corvair that tallied a whopping 27.03 miles per gallon* in the Mobilgas Economy Run... went right on to climb Pikes Peak earlier in the spring than any car has ever tried!

We wanted to show you what the fabulous traction of Corvair's rear-engine design and the sure-footedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak—and right up to the top of that savage mountain, on April 15, still deep in winter's snow and ice. No other car—ever specially equipped—had ever been able to conquer that nightmare alpine road so early in the spring. But Corvair (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvair is totally unique. But you'll find that out the first five minutes you're at the wheel!
